

## 1939 Law Lie

In 1939 a law was pass  
people from the islands  
cud get an English pass  
people from the island  
can step up in class

Dem leave the island by ship and plain  
lef the sunshine for the snow and the rain  
come to England..... for .....pressure and pain  
some never to return..... to..... the island again

where did all the promises go  
how dem use..... and..... abuse we so  
clean the toilet..... sweep the floor  
the jobs dem give us .....was the lowest of the low  
dem mess wid we riddim  
dem mess wid our flow

Nuff Join the army .....to fight in the war  
dem had to fight..... racism..... and the colour bar  
nuff join the .....NAVY.....to fight on the sea  
dem call us monkeys and chimpanzee  
go back to your hut..... go back to your tree  
go back .....to your own country

In 1939 a law was pass  
people from the islands  
cud get an English pass  
people from the island  
can step up in class

we help to build ..... This..... Britain today  
dem use and abuse we..... Now dem..... wann push us away  
empty handed, not even a decent pension pay  
where is the reparation from back in the slavery day

we've walk the walk .....we've talk the talk  
we see the light.....but still in the dark  
the British government..... Joke and skylark  
from days gone by.....we've dun make we mark

we have been despise.....an brutalised  
we have been chastised..... dem tell pure lies  
we have been criticized ..... dem tek way we prize  
wat we have to do .....to get recognise  
the British government have blinked eyes
